Bryan was a witcher who was hunted by a bounty hunter for years. He once knew a bounty hunter named Mr. Garcia. At some point, something transpired between them involving a woman, money, or perhaps both, prompting Mr. Garcia to pursue Bryan for years.

Although Mr. Garcia came close to capturing Bryan on several occasions, the witcher always managed to escape. According to Mr. Garcia, Bryan was both a joker and a monster, with an ironic smile and a roguish cheerfulness that never left him, even when he killed. Mr. Garcia also claimed that Bryan could not stay out of other people's business.[1]
